About this copy: Towed Help transcribed the agency's emailed closing response word for word. Left out: the requester's name in the greeting, the signing staff member's name, the personal portal links, and the email's repeat of the request text (the request items are shown above). Nothing else was changed. The records the email says are in the portal are not part of this copy.

Notes by Towed Help (not part of the response): the ecode360 link points into the Harlingen City Code, chapter 46; the towing rules are chapter 46, article III (Vehicle Towing). The response does not say what period or what kinds of tows the figure 375 covers, and gives no monthly breakdown.
